Egyptian mummification was a 70 day process that involved removing the internal organs and thoroughly drying the body to avoid any source of decay. The Egyptians believed that an intact body was needed for a successful afterlife.*

*\*\* KingTutankhamun was an Egyptian pharaoh of the 18th dynasty, during the period of Egyptian history known as the New Kingdom or sometimes the New Empire Period. He has, since his discovery, been colloquially referred to as King Tut.*
